

- 7.5. Citizenship: Master of a ship flying the Norwegian Flag must be a Norwegian national or a national from a country to which the EEA Agreement applies. However, dispensation may be granted by the Maritime Directorate for a limited period, valid to serve on particular ships. Endorsement may then be issued limited for service on particular ships with expiry date not later than the dispensation or the period of validity of the certificate of competency.
- 7.6. Deck officer in combined position as radio operator should apply for endorsement to both the Norwegian Directorate and Telenor Networks.
- 7.7. The Norwegian Rules regarding Certificates of Competency are laid down in The Act of 5 June 1981, No. 42, concerning Certification of Personnel on Norwegian Ships, Drilling Units and other Mobile Offshore Installations with appurtenant Regulations dated 9th May 2003 No. 687 concerning permission for the Holder of a Foreign Certificate of Competency to serve in posts for which a Certificate of Competency is required on Norwegian Ships, Drilling Units or other Mobile Offshore Installations.
- 7.8. The certificate of the applicant must be issued by a part Norway has a bilateral agreement with (regulation I/10).
