

Safety checklist

Before you are permitted to use the boat, you need to fill out this form together with the boat hire company to signify that the safety instructions have been given and understood. Failure to comply with the safety regulations may result in liability and loss of the right to operate boats. The boat hire company may have additional safety instructions. Please fill out

Important telephone numbers

Customer's telephone number:

Boat hire company's telephone number:

- My contact telephone has been tested locally
- I will keep my phone available, well charged and dry at all times while on board
- I have been informed about the mobile phone coverage in the area

In case of emergency

I have been informed about the emergency numbers

Police: 112  Ambulance: 113  Fire: 110  Coastal radio station: 120 

- I know where the emergency phone numbers can be found on board
- I have been given instructions on what to do in case of emergencies
- I have been given information about the facility's general and liability insurance

Onshore safety

- I am familiar with the emergency exits, fire extinguishers and first-aid kits for the facility
- I am familiar with the routines for reporting missing persons.

How to use the boat and motor

- I am familiar with the correct way to conduct myself on board a boat (weight distribution)
- I have been instructed on how to use the boat and the motor
- I am informed about the information found aboard and where it is located
- I know that the dead-man's switch found on the outboard motor must always be used when the motor is running (except next to piers or wharfs)
- I have been instructed on how to fill fuel
- The boat and the motor is handed over to me in good condition.

Equipment

- I have been informed about the type of equipment found aboard
- The life-saving equipment has been demonstrated and tested
- I have been given the necessary training in the use of electronic aids

Weather and weather forecast

- I have been given information about the weather conditions in the area
- I know that I am responsible of staying updated on the weather forecast
- I have been informed about routines on how the boat hire company might contact me while at sea

Nautical charts and waters

- I have been given information about nautical charts
- If the facility has specific route charts, I have been given instructions on how to use these charts
- I have been given information on traffic restrictions in the area
- I have been informed about especially dangerous areas and safe conduct when travelling in and around such areas
- I have been given information about navigation marks found in the area
- I have been given information about fish farms and commercial fishing in the area and correct conduct when travelling by boat in areas where fish farms are located and/or commercial fishing occurs
- I have been briefed about the facility's rules concerning how long and how far the boat can be taken out to sea

Restrictions on drinking alcohol when boating

- I have been informed about Norwegian law related to drinking alcohol and boating
